The Hahnemühle Digital FineArt Collection

## Torchon, 285 g/m<sup>2</sup>

*Bright Natural White, Fourdrinier Paper*

© Milton H. Greene Archives "Dovima", 2002 - www.archivesmhg.com

### Product Description

285 gsm acid free watercolour paper with a parchment, or pastel paper surface. Especially suits reproductions of oils, watercolour and pastel mediums. A bright natural white finish in colour.

### Applications and Characteristics

The printed side of this paper has been specially coated for excellent image sharpness and optimum colour graduation. The coating also offers a very high level of water resistance.

Common applications include:

Fine art reproduction, business cards, greetings cards, post cards, menu and Novelty applications, certificates and presentation prints for display purposes.
